An Evening  
of Short  
Entertainments

## ***Horizons***

by Roger Gimblett

Directed by Roger Gimblett

This touching short piece about a fraught older lady encountering a young cheerful surfer on a beach one afternoon is a feel-good delight.

## ***Decline & Hall***

by Roger Gimblett

Directed by Emma Whitehead

A volunteer committee faces the imminent closure of their well-used and well-loved historic community hall (sound familiar...?). Tempers fray amongst the members as they fight for survival, between the blunt Scout group leader and the bombastic drama club chair, the diplomatic church minister and offbeat yoga teacher. A hilarious tale with a twist you won't see coming!

## ***Dinner For One***

by Lauri Wylie

Directed by Shane Bates

An end of year tradition, the 1963 recording from German TV of this classic vaudeville skit holds the record as the most frequently repeated TV programme ever. Miss Sophie and her Butler James will have you in hysterics as she entertains her four friends at her 90th birthday - all of whom she has now outlived! Same procedure as last year Miss Sophie? Same procedure as every year, James!

*There will be a 10 min interval between each play*
